

Interim School Business Office, Inc. (ISBO)

You will want to get **Personal Catastrophic Liability Insurance** as an independent contractor through your homeowner's insurance or your insurance provider. If you do not have an insurance provider, ISBO recommends you contact:

Angie Costello-Rizzi
Costello Insurance Agency Services, Inc.
ciasfec@gmail.com
708-837-6249 office
708-503-7243 fax
PO BOX 316, Olympia Fields, IL. 60461

ISBO will provide a certificate of liability insurance to the district for the company's insurance. This is the company's liability insurance coverage, but we highly recommend you get your own personal liability insurance to cover yourself as an independent contractor. You can use this as an expense to deduct on your taxes for the corresponding year of coverage.

If you have any questions about this, please contact us at:
